In 2009 the **YMCA OF  
GREATER DAYTON**  
provided financial assistance  
for thousands of community  
families. As the requests  
increase, so does the need for  
funds to provide these services.

Please help the  
YMCA build  
STRONG KIDS by  
affixing First Class  
postage.

*annual Strong Kids  
Campaign ensures  
that no one is denied  
the opportunity to  
share in the YMCA  
experience due to an  
inability to pay. Each  
year, thousands of kids  
learn to swim, play and  
compete in youth sports  
leagues, go to summer  
camp, and make new  
friends at the YMCA.*

**OUR FAMILY** was changed by the pleasant experience that we had at your preschool program. Our child would not have been able to attend childcare or preschool if it were not for the YMCA's financial assistance. His education and experience was priceless. My husband and I now both have jobs and were able to enroll our second child at the YMCA child care. We will always be grateful for the Y's help when we were struggling.

**MY CHILDREN** love to do YMCA sports, but due to financial constraints, I was afraid we were going to have to skip the sports programs this year. Thanks to financial assistance from the YMCA, we were still able to let our kids participate—they love the great sportsmanship and teamwork YMCA sports offer and have made friends for life while learning how to be a good sport. These are lifelong lessons.

**SUMMER DAY CAMP** was a great experience for my kids. It kept them active and learning all summer long and their counselors were the best. I was stuck in a tight financial spot where I needed to continue to work, but being a single mom, I wasn't sure I could cover the cost of two kids in day camp. But the YMCA helped me out with a scholarship to make it affordable for me. My kids had a summer of fun and activities and I had the knowledge that they were safe and happy. Thank you to the YMCA for all you do for families and kids.
