» DONATE FOR A BETTER US.
We can't do it alone.

The Y is now...as it has always been...a place of possibility and promise for all. Unfortunately, in times when the true power of "us" is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That's why the Y passionately focuses on strengthening communities. Every day, the Y supports kids, adults, seniors and families with programs that protect, teach, connect, heal, nourish and encourage. Everything we do helps empower communities and the "us" who live in them to thrive.

US... IS A PROMISE

Annual Campaign
CAMP KERN

2018 Goal: \$90,000

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

Donate for a better us.

Your gift to Camp Kern will have a lasting impact in the community by helping us to reach more people through life-changing programs and services. **Thank you for making your pledge before March 31, 2018.**

"My daughters attended the all-girls Ranch camp week and it was a wonderful experience for them. The friendships they made, the counselors they speak of as role models, trying adventures outside of their norm, the confidence, independence, and horse knowledge they returned home with, the pure joy of spending the week being a kid meant so much to them. They haven't stopped talking about it. It was definitely an experience we are happy they had, and the financial aid assistance was much appreciated as having 2 kids attending can sometimes be challenging .

Thank you so much!"
